SEEDING:

Please submit entry times according to the time swum: DO NOT SUBMIT CONVERTED TIMES. (Example: If the time was swum in long course meters, submit the long course time.) Non-conforming meter and yard times submitted will be uploaded to our Hy-Tek meet manager software and converted via that system for event seeding. **All yard times and long course meter times will be converted by meet management and seeded accordingly slowest to fastest with the last three heats circle seeded.**

Throughout the meet, athletes will be grouped by age as follows:

Preliminary events:

For efficient meet pacing and competitiveness, all preliminary events will be swum combined, slowest to fastest, in 10&Under, 11–12, and 13–14 categories. At the discretion of the meet referee and dependent on total entries, the meet may be split into two prelim sessions swimming the 13-14 age groups first followed by the 11-12 and 10&under age groups. Information will be updated in a timely fashion.

Final events:

The top 9 male and female swimmers in each single-age group will qualify for finals, with a single finals heat for each age group and gender (10 finals heats per event), excluding the 400, 800, and 1500 freestyle, and 400 IM (see below).

An athlete's single-age group will be defined by his/her birth year, per the table below. (Example: 11-year-olds are those with birth year 2013)

Age Group	Birth Year
10 and under	2014+
11 Years old	2013
12 Years old	2012
13 Years old	2011
14 Years old	2010

There will be no positive check-in for 200 events and below. 400 and above events will be positive check in. Scratches for preliminary and timed final events are due by 5:00 PM the day prior to the race.

400 free and 400 IM: Events 41 & 42, 43 & 44, 73 & 74, and 75 & 76 will be swum in prelims, fastest to slowest, with the exception that the male and female athletes with the top 9 entry times in combined age groups will swim in the evening finals but will be scored separately in single age groups. These will be timed final events, so swimmers will only swim the events once.

800 and 1500 free: Events 1 & 2 and 21 & 22 will be swum at the conclusion of their respective preliminary sessions (following a 10-minute break from the regular session), fastest to slowest, with alternating girl/boy heats, with the exception that the male and female athletes with the top 9 entry times in combined age groups will swim as the first two events in the evening finals but will be scored separately in single age groups. These will be timed final events, so swimmers will only swim the events once.
